

**Quiz 2      Calculus 1      10/8/2018**

1. What grade are you hoping to earn in this class?
2. On average, how many hours (outside of class time) have you been spending per week on this class? How many hours did you spend (outside of class time) last week on this class?
3. What resources have you been relying on for this class (e.g., textbook, *How to Ace Calculus*, Math Help Room, tutor, prayer & meditation, etc.)?
4. Are there other challenges you faced last week that I should know about (e.g. dog died, etc.)?
5. What's your plan?
