### Class Grading Policy

In order to pass the class, students must pass a Differentiation Gateway Test:

[http://hosted.webwork.rochester.edu/webwork2/Coe\\_MTH135\\_02/proctored\\_quiz\\_mode/differentiation\\_test/](http://hosted.webwork.rochester.edu/webwork2/Coe_MTH135_02/proctored_quiz_mode/differentiation_test/)

Grades in this course will be based on performance in class on a daily basis, homework and quizzes (1/7), the 4 in-class exams (4/7), the final exam (2/7).

Students will complete assignments in WeBWork:

[http://hosted.webwork.rochester.edu/webwork2/Coe\\_MTH135\\_02](http://hosted.webwork.rochester.edu/webwork2/Coe_MTH135_02) as well as daily homework assignments from the textbook. Please use pencil for all written work!

Daily attendance is expected. Unexcused absences will adversely affect your course grade. If you will miss a scheduled exam for any reason, make arrangements for a make-up exam in advance of the scheduled date.

The faculty has adopted a policy of Academic Integrity (found in full on pages 30-32 of the 2007-2009 Coe College Catalog). Students are expected to understand and comply with this policy.
